♩ = 100 remember to play direct strokes
and "pull" the sound from the drum

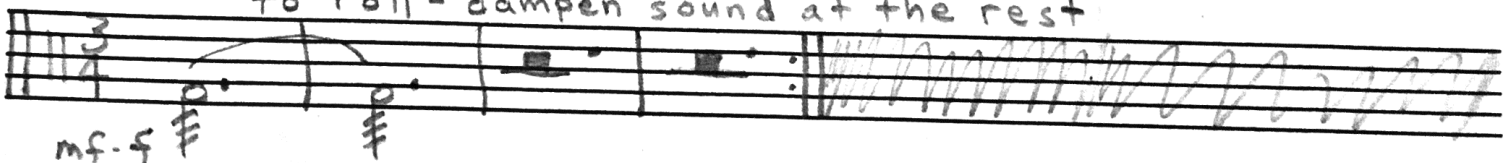

♩ = 100 use knee and hand(s) to dampen sound
at the whole rest ♩ = 90 - use knee/towel (2 mallets)

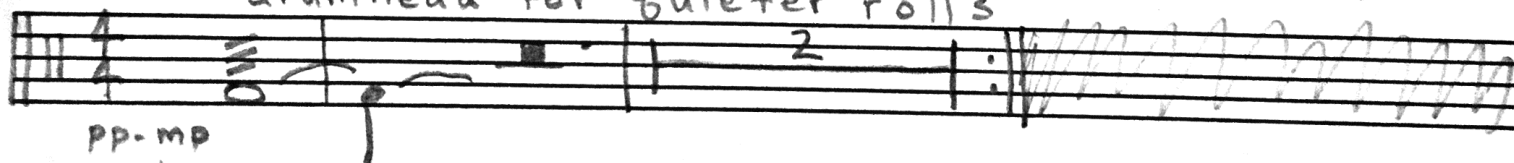

♩ = 120 use muffling with knee and/or fingers of
free hand to get a "dry", clear sound.

♩ = 72 use two matching beaters
to roll - dampen sound at the rest

♩ = 60 experiment with rolling closer to the edge of
drumhead for quieter rolls

♩ = 90 practice crescendo rolls and be sure to dampen
the end
